

The Shell Diamond Deal

Through the Diamond Deal promotional program, SignResource and Shell have teamed up to help Shell wholesalers get their projects rolling. With the commitment to purchase **a minimum of 10 location package**, SignResource is offering a reimbursement credit for site surveys performed by SignResource. Prices for this comprehensive site survey will vary depending on site location and size.

Surveys will be on a separate Purchase Order to SignResource and would be paid in full after the completion of the survey process. Customer Service Rep will note site numbers/addresses that Diamond Deal is for and only those individual site order will receive "Diamond Deal Discount". A DD Discount line will be added to each order for the same amount charged for full site survey. This will be the only opportunity go credit for this site. Survey orders will not be credited or allowed to become delinquent.

Minimum Full Survey price is \$400. Hi-Rise and other extreme scope surveys to be quoted at higher prices.

Values of this comprehensive site survey will range between \$400 – \$750 per site depending on site location & size. *Turnkey Projects or Material Only projects are both eligible for this Diamond Deal so get your projects started today!*

Having accurate site photos, measurements, and data is the first step towards completing a smooth conversion or upgrade. Eliminate finger pointing between the manufacturer and installer by allowing SignResource to take custody of the most valuable part of the manufacturing process.
